Dear Sisters,

On behalf of the Ladies' Circle, I want to take this opportunity to thank the presidents and members of the above listed Area Ladies' Uplift Circle for making the October luncheon a huge success. Please extend the Circle's gratitude to your members who were such willing helpers.

As you know, the luncheon turned out to be a very lucrative fundraiser and we could not have done it without your help. Please thank your members for all the homemade desserts. I understand we had no problem in selling the leftovers!

When we work together as a team we can make really make things happen.

Thank you again and again.
